

# Annual Trophy Points System

The Club points system for claiming Annual Trophies has now been revised in the light of the breed now having Challenge Certificates. - At the end of the year add up the total points won by your dog for all Open shows with breed classes and again for all shows without breed classes and submit 2 claim forms. (3 forms if including puppy points) For all Championship shows with and without breed classes we have already calculated these points, please do not resubmit. (Both FLCGB and SFLS open shows are counted as Champ Shows with CC's in points calculations, we have done these also.)
- If you began showing your dog as a puppy but it moved out of puppy during the year you would need to repeat the above for all points won as a pup and again for all points won after its 1st birthday.
- The Elbereth Trophy is awarded to the breeder that has amassed the most points, calculated by adding together all points won by any dog with that breeder's affix, at shows with breed classes.

**Only dogs belonging to members of the club are eligible to be included in the breeder's award.**
